

BOLOGNA AIRPORT: AGREEMENT WITH USERS ON THE 2023-2026 CHARGES PROPOSAL AND SERVICE LEVEL AGREEMENT AND START OF THE VERIFICATION BY THE TRANSPORT REGULATION AUTHORITY

Today the Users' Public Hearing was held, concerning the new charges proposal and service level agreement of Aeroporto Guglielmo Marconi di Bologna S.p.A. for the four-year period 2023-2026, with entry into force from 1st June 2023.

The Airport Operator and Airport Users have reached a substantial agreement on the new charges proposal and service level agreement for the 2023-2026 period.

The charges proposal envisages an average charge stable in 2023 compared to 2022 and a gradual annual increase during the regulatory period.

According to time and methods provided by the Model 1 referred to in Resolution no. 92/2017 defined by the Transport Regulation Authority, the procedure will be completed with the publication of the charges and the final verification by the Authority.

***Aeroporto Guglielmo Marconi di Bologna**, classified as a "strategic airport" in the centre-north area of the National Airports Plan prepared by the Ministry of Infrastructure and Transport, recorded in 2022 8.5 million passengers, ranking as the seventh biggest Italian airport by number of passengers (Source: Assaeroporti – Aeroporti2030). Located in the heart of the Emilian food valley and the automotive and packaging industrial districts, the airport has a catchment area of about 11 million inhabitants and around 47,000 companies, with a strong propensity to exports and internationalisation and with commercial expansion policies to Eastern Europe and Asia.*

As for airport infrastructure, the airport has among its strategic objectives in the next few years an important development plan that mainly concerns the expansion of the terminal, particularly in the parts of security checks and gate area. The company's aim is to make Bologna Airport one of the most modern and functional in Italy, an important gateway to the city and region.
